

Super Strong Crème Cleanser

A Strong Cleaner

KRAZY™ Crème Cleanser has the power to remove hard water stains, soap scum, rust, grease, and scuff marks. **KRAZY™** Crème Cleanser is versatile. It can be used on sinks, bathtubs, shower enclosures, urinals, drinking fountains, glazed porcelain, stainless steel, ceramic, Formica®, fiber glass, and other non-porous washable surfaces.

Great For Removing

- ✓ Hard Water Stains
- ✓ Soap Scum
- ✓ Rust
- ✓ Grease
- ✓ Scuff Marks

Simple To Use

Spread directly onto the surface. Apply with a wet cloth, sponge or brush. Loosen soil/stain with rubbing action. Rinse thoroughly with potable water. For a bright shine, polish with soft dry cloth. For stainless steel, rub with grain.

New Advanced Formula

KRAZY™ Crème Cleanser's new advanced formula gives it the ability to fight tough soils and stains. **KRAZY™** Crème Cleanser is stronger than most other cleansers. It cleans surfaces with its mild abrasive action. Always test it in an inconspicuous area prior to using this product.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise. Refer to the SDS for additional safety information.
