## HMIS RATINGS

## Stain Away Blood and Stain Remover

Removes difficult stains found in on-premise and institutional laundries.

Can be safely used on all washable fabrics and finishes as well as carpets, drapes and upholstery.

Effective in removing most difficult stains including: Body Discharge: Blood, Albumen & Protein, Vomit, Semen, Body Oils, (collar & cuff rings), Perspiration. Foods: Egg, Sugars, Coffee, Tea, Cola, Ketchup, Mustard, Fruit Juices. Medicines: Mercurochrome, Iodine, Baby Oil. Make-up: Lipstick, Hair Spray, Mascara, Hair Dye, Deodorants. Miscellaneous: Inks, Grass Stains.

### DIRECTIONS-

#### SHAKE WELL BEFORE USING

Apply directly to stained area of fabric. Rub gently to insure thorough saturation of stain. Allow to set for a few minutes in order to break the stain to fabric bond. Follow with normal washing procedures. Can be used to treat carpets, drapes and upholstery. Follow all treatments by warm water flushing of stained area or regular shampooing.

Due to variation in fabric and dyes, it is best to check the colorfastness of the item being treated by applying solution to a small hidden area of the item being treated before treating any exposed area.
