

MAXXOL™

AUTOMOTIVE DRESSING

Maxxol™ Automotive Dressing is an all-in-one versatile shiner that protects, beautifies, and embellishes tires, rubber, vinyl, leather, sealed wood, metal, ceramic, marble, and plastic surfaces.

Maxxol™ Automotive Dressing makes surfaces anti-static to repel dust and dirt. It is formulated with UV protection to provide an extra layer of protection from sunlight. It is non-flammable, non-corrosive and safe to use. Use it for tires, seats, vinyl interiors, bumpers, bumper guards, body moldings, doors, mats, and engine compartment.

- ✓ All-in-one versatile shiner
- ✓ Easy to apply
- ✓ Safe to use
- ✓ Repels dust and dirt
- ✓ Streak free shine

DIRECTIONS FOR USE:

Maxxol™ Automotive Dressing is an easy-to-apply automotive dressing. Shake well. Apply to cloth, sponge, or spray directly on to a clean surface. Spray on any surface that needs that extra shine to make it look like new! For best results, pre-clean the surface before applying.
